

SEED

Self-Education Employability Device

Is a web-based, non-psychological tool that assists work-seekers to assess, identify, explore, and develop sixty life and career skills.

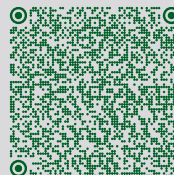

PSYCHOLOGY-REGISTERED PRACTITIONERS

The Department has a footprint of psychology-registered practitioners nationwide who are prepared to assist work-seekers to derive an additional value on the use of the SEED assessment tool through the following means:

- Career guidance and employment counselling
- Personal development
- Entrepreneurship development
- Leadership development

Please scan this code to access psychology-registered practitioners of the Department nearby your residence:
